Big Cards Available,
Silent Witness Series

Silent Witness Series contain the logo of Songs of Gladness Greeting Cards and the ChristianHebrewRoots.org designation on the back side of the card as part of our logo. A silent, subtle way to witness without shouting.

Those who want more information have the data they need to go fishing on their own.

Pray that your neighbor or friend will heed the Holy Spirit Who enters wither so ever He wishes in accordance with the Will of God Almighty! May their hearts be broken unto repentance eternally!
